

Information:

Music Theatre Combo Class – Koorliny Only (Ages 5-7)

The perfect way to introduce our younger students to the world of Music Theatre. In this class the students will explore dance, singing and acting.

Music Theatre Production Class

Our aim in this class is to provide Music Theatre training in both acting and singing with the end result being a production performed for a short season in a theatre.

Acting - The acting component of the class consists of building confidence, teamwork, self-awareness, and character analysis. Students participate in improvisations, movement exercises, drama games and prepare scripted scenes and monologues and/or duologues.

Singing - Group classes, learning correct breathing technique, scales, pitch, and voice projection. Students will also have the opportunity, to build up a repertoire of songs from a variety of musicals.

Music Theatre Jazz & Tap includes a warm-up, stretches, floor and corner work, turns, kicks, and jumps, combinations, progressions, technique, and choreographed routines.

Song Rep/Creating Work gives students the opportunity to build up a repertoire of songs from a variety of musicals and to explore the text and its relationship to individual characters and the storyline in general. In this class students will also work on harmonies as well as solo work and audition prep. Students will also be guided and encouraged to explore creating their own work and performance skills through improvisation and creative writing. This class works at an Advanced level and is suitable for ages from 12 years of age.

BCPA Productions:

Bel Canto Performing Arts generally produces 2 youth musical theatre productions/performances per year.

- In house productions/performances are produced, directed, and staged with students enrolled in our classes.
- Open productions are offered to both the general-public and our BCPA students and are auditioned.
